### **AMENDMENTS TO THE CLAIMS**

This listing of claims will replace all prior versions and listing of claims in the application.

#### **Listing of Claims:**

Claim 1 (Original) A mousse, cream, lotion or spray leave on hair treatment composition, comprising a silicone pressure sensitive adhesive wherein the pressure sensitive adhesive is in the form of an emulsion.

Claim 2 (Original) A hair treatment composition according to claim 1 which further comprises a propellant.

Claim 3 (Previously Presented) A hair treatment composition according to claim 1 in which the propellant is a hydrocarbon gas.

Claim 4 (Previously Presented) A hair treatment composition according to claim 1 further comprising a hair conditioning agent.

Claim 5 (Previously Presented) A composition according to claim 1, wherein the emulsion comprises a disperse solvent phase in a continuous water phase in the presence of a surfactant.

Claim 6 (Original) A composition according to claim 5, wherein the solvent has a boiling point below 300°C.

Claim 7 (Previously Presented) A composition according to claim 5, wherein the solvent comprises silicone.

Attorney Docket No.: J3714(C)  
Serial No.: 10/550,623  
Filed: June 27, 2006  
Confirmation No.: 4633

Claim 8 (Original) A composition according to claim 5, wherein the dispersed solvent phase comprises 20 to 80 % by weight of the silicone pressure sensitive adhesive.

Claim 9 (Original) A composition according to claim 8 wherein the pressure sensitive adhesive comprises a) from 40 to 70 parts by weight of at least one silicone copolymer resin; and b) 30 to 60 parts by weight of at least one polydiorganosiloxane.

Claim 10 (Withdrawn) A method for styling hair which comprises contacting the hair with a composition in accordance with claim 1.

Claim 11 (Cancelled)

Claim 12 (New) A leave on hair treatment composition comprising propellant and a silicone pressure sensitive adhesive comprising a silicate condensed with a silicone fluid, wherein the pressure sensitive adhesive is in the form of an emulsion and wherein the hair treatment composition is in the form of a mousse.
